

STATE AUTHORIZATION FORM

This State Authorization Form is intended to be used and submitted with institution’s Self-Evaluation Report and substantive change applications to assure compliance with states’ authorization, licensure, and exemption requirements. Institutions should select the appropriate check box next to each relevant state out of the United States and territories and include the date the authorization, licensure, or exemption was received or indicate if authorization is still pending and provide the date documentation was submitted. If not applicable, check the appropriate box and provide a brief explanation.

The following link from the SHEEO website addresses how and where students can file a complaint state-by-state: http://www.sheeo.org/sheeo_surveys.
